2025 Terms and Conditions

Please read in full before placing orders.

\$100 Minimum Order

Dealer Pricing: All orders less than \$2,000

Master Dealer: First order over \$2,000. Pricing then locked in for the year.

Free Shipping: \$2,500+

In order for us to release a shipment that qualifies for free shipping we must have 75% of the goods in stock. We reserve the right to pay up to a maximum of 15% of the invoice total in freight charges. Additional freight charges will be billed to the customer without notice.

Payment Terms: Prepay or Net 30 Days with approved credit.

Credit Card Payments: Are accepted for pre pay orders with no convenience charges.

Credit Card payments are accepted for Net 30 Day orders for a 3% convenience charge.

This applies to collections payments as well.

Discrepancies: Shipping or invoicing discrepancies have a 5 business day period to be reported.

Invoicing: Will be sent via email.

Backorders: We will ship backorders when available at our discretion up to 6 months after the requested ship date without notice.

**Tropical Flash goes through a blinking series of Red, Blue, Purple, White, & Green LED colors when activated. Sizes .166 and .204 are not available in Tropical Flash.*

Important. Use the correct Nock Arrow Shaft chart provided.

must fit snug into the guide.

- .300** +/- 25gr weight for Crossbow Shafts
- .246 GT** +/- 24gr weight for many different arrow brands. See website for details.
- .244 S** +/- 23gr weight for many different arrow brands. See website for details.
- .204 X** +/- 20gr weight for many different arrow brands. See website for details.
- .166 G** +/- 16gr weight for many different arrow brands. See website for details.

Nock for your arrows. Check the arrow nock after every shot for the arrow shaft. Shooting light arrow groups and hitting hard can cause extreme danger to the shooter. Do not use nocks or make modifications to any battery-related areas.
